Heska Allergy Testing	North Carolina	07/20/21	
Worming	Hookworms	03/31/21	
MicroChip	Home Again	10/05/21	985113005931904

Hyperuricosuria (HUU)

Hyperuricosuria is an inherited disorder characterized by elevated levels of uric acid in the urine that can lead to the formation of bladder/kidney stones.
